DOMINION FAMILY NETWORK

Dear Supporter,

Dominion Family Network, LLC is a multi-cultural, cable television channel on Roku. It is our goal to provide high quality, family-friendly entertainment in the spirit of excellence. It is important to us to provide programs that not only entertain but inspire and uplift the viewer. By supporting Dominion Family Network, LLC, you can help bring about a positive effect in the lives of many. In these unprecedented times we can prompt hope and positive movement as our motto is: Dare to Dream! Strive to Inspire!

Thanks to our sponsors, we can consistently produce thought provoking and moving productions. Inspirational Corner and Motivational Moments are two segments that regularly appear in between each show, and they are a boost of positivity and inspiration. As we bring sponsors on, we can also obtain more inspirational and uplifting programming. In addition, Joyce Meyer, Enjoying Everyday Life airs twice daily, six days a week at 9:00 a.m. and 9 p.m. EST. We would like to showcase more ministries and have a Sunday full of inspiration.

In exchange for your support, we are pleased to offer many benefits for your organization. We hope you will join us on this exciting journey as a sponsor.
